## COD WaW Server

Posted by ORCA - 2009/03/27 21:10

---

Rackage has done a fresh install of COD WaW after the FUBAR of a 1.3 installation, i havent checked it, and i dont know even if it has 1.3 on ! ? so if someone is willing to test it...

Server is up and is fine although we seem to have lost the various server configs oh and at the minute we are playing softcore.

i have also updated punkbuster

and what is it with all the bad Karma.

I have copied the old config in, so it should be as was...

Must be bad camping karma :woohoo:

:army:
