OMG !

Just played Lighthouse the new map 4 minutes in, 4 Tanks dead, 1 guy gets alot of dead, then another gets Tank Slapped off the map, then me and this other guy run away from the Tank...into...another Tank :ohmy: Game Over Man, Game Over...

Very good, doesnt last that long 7 mins is a good time :huh:

Its more intense and more quicker than COD Zombies so a must play

:army:
