Do People still play with monitors THAT SMALL or have they a problem with handling anything bigger ;)

Last I heard he still had a VIC 20 in his house :laugh:

And for laughs parks his car in the front of static caravans :laugh: :laugh:

Holidays hey:P

I will be hopefully getting MW2 for xbox 360 because its only £27 in sainsbury's and therefore im trading in my cod5(also some extra money towards it) for xbox and im buying cod6... so when i get that i will probably get rid of my computer untill i get a improved computer... but i dont know when i am getting it so i will post a message when..

Happy gaming!
