
Battlefield 1943 Anyone?

Posted by kaTana - 2010/05/31 01:40

K...this is out on 9 July (I believe). It's a budget game and only has 3 maps, but it is WW2 Pacific (played it on X360, but couldn't shoot pooh with the controller). Is anybody going to be buying it?

ITS ALIVE !!!

Glad to hear you are still breathing Andy :-)

Yeah had a go on this also when I had a 360, was ok. Like you said couldnt shoot anything with the darn thumbsticks...

Will see about getting it
