
Knives only anyone??

Posted by KaTana - 2007/11/28 20:59

I started thinking, no snipers, no 'nades, no claymores, no c2, in fact...no bloody explosives of any kind!!!! Did i mention no 'nades. Definately no 'nades!!

then

no fully automatics.

then

no perks

then

umm, only leaves 2 guns, pistols and the knives!!!

Seen as i like it so 'purest', what about a knife only server????
