
Internet Service Issues

Posted by kaTana - 2007/12/01 14:56

Hi all, I hope your can help. After installing a new router (Berklin), my connection download speed has dropped from 4M to approx 1M. Does anyone have any ideas why this might me.

I'm not using wireles.

I have had the usual stupid comments from Tiscali.

Plz help!!
