Well get him on TS then, and then he can hear you and Daren bicker like a married couple :kiss:

Is this the guy from before or was that Dead Guy ?

When is Bobby coming on, need to find him a nice spot to shoot his big gun from ;)

Yep met him last night I think I was the only person he killed didn't shoot me though he killed me with the knife 3 times of course I had to knife him 6 times to make it even and then everyone else when I had a brief period where I forgot where my fire button was.

Welcome aboard.
