Hello all.....

As server Admin for the East of England, It has been brought to my attention that someone was "cheating" last night.... He had illegal codes to unlock all of the weapons but was still on Lvl 1!!!!

If he is online this evening, do i have permission to kick/ban him??

He goes by the alias of - stole\_my\_name.....

:angry: :angry: :angry: :angry: :angry:

I will have to look into this, there was also a suspect player on last night, his name was Is-a-Girl i think there might be a hidden message there somewhere ???

I don't think this is anything suspect.... I just think he must have got his clan tags mixed up..... surely it should have been Is-a-Girl....

:P :angry: :P
